

THE 19TH CENTURY
BROUGHT WINDMILLS TO
THE COUNTRYSIDE,
PROVIDING WATER AND
ELECTRICITY TO OUR
RURAL AREAS. WITH
TODAY'S ENVIRONMENTAL
AND ENERGY CONCERNS,
THIS GREAT AMERICAN
ICON HAS FOUND A NEW
"GREEN" HOME AMONG
THOSE COMMITTED TO
PRESERVING OUR LAND
FOR FUTURE GENERATIONS.

Post & Beam

"We are very pleased to bring these historical landmarks back to our rural landscape...Our goal is to restore the rustic beauty of our heritage."

Sand Creek Post & Beam windmills are historical replicas featuring AERMOTOR mills with fully functional pump systems and Sand Creek Post & Beam wood towers. Our towers highlight post and beam construction, using full dimension, rough-cut timbers. Sand Creek Post & Beam windmills will add a beautiful focal point to your property.
